I. Strategic Visioning/Team Building

1. To what cultural groups do I belong? How do I see myself in the world culturally? *(We will talk about this and define what we mean by culture. For now, identify the different cultural groups to which you belong.)*

2. How do you define equity in education? What does it look like?

3. When you consider what world-class education means, what does that look like? How will Hopkins High School graduates be described?

4. What is a teaching or a phrase that you use that you heard your parents or grandparents use?
