

Building a great place to live
Hopkins Community Education: Early Childhood Family Education

Monthly Parent Meet-Up

Taught by **Betsey Matas**, licensed parent educator

Do you wish you had a group of parents you could talk with to discuss the joys and challenges of raising your 3- to 6-year-old child? Do you want the Parent Education benefit of an ECFE class but are unable to commit to a weekly session? Meet and connect once a month with other parents and dive deep into your hot parenting topics. The full session will be devoted to learning and sharing ideas and connecting with other parents during supportive group discussions.
