

# Glen Lake News - Stay Connected!

School and classroom information will be sent home via email. This saves money and is more effective than stuffing backpacks. However, some items, such as permission slips, will be sent home in backpacks.

## Parent Portal & Infinite Campus

The Glen Lake News, our weekly newsletter, is sent by email through the district's Parent Portal for Infinite Campus and Connect Ed.

Teachers also send their newsletters and information via Infinite Campus. All changes in parent information will be completed by you through the Parent Portal. It is important to keep your phone numbers and email addresses up-to-date, so, please log in and make changes as needed.

Parent Portal Web Address:
