May 6-17 Advanced Placement (AP) testing (dates vary by subject)

May 27 No School K-12, Memorial Day

## JUNE 2019

June 7 Last day of school Gr. K-12

**Assessment Description and Purpose:**

MAP: District-purchased computer adapted tests in reading and math. Results help families and educators track individual student growth, determine student placement, and improve curriculum and instruction. Estimated time: 40-60 minutes per subject.

ACCESS: State mandated measures of English proficiency for ELL students, in reading, writing, speaking, and listening. Results used to monitor student progress in English language proficiency. ACCESS proficiency scores are also used to determine when ELL students are ready to exit from English language services. This test meets federal education requirements. Estimated time: K, 45 minutes; Gr 1–12, 30-60 minutes per modality. Preliminary ACCESS results are available to District staff in late May. Final student reports are sent home in early fall. On August 30, summary results for the district and each school will be posted to the Minnesota Department of Education's Minnesota Report Card website <http://rc.education.state.mn.us/#stateAssessments/>

MCA and MTAS: State mandated assessments in reading, math, and science that meet federal education requirements. Results measure student progress toward Minnesota's academic standards and help improve curriculum and instruction. Estimated time MCA: 1.5 – 3.5 hours per subject; estimated time MTAS: 30-90 minutes per subject. Preliminary MCA results are posted to the Parent Portal weekly. Final paper student reports are sent home in early fall. In late August, summary results for the district and each school will be posted to the Minnesota Department of Education's Minnesota Report Card website <http://rc.education.state.mn.us/#stateAssessments/>

PSAT / NMSQT: National norm-referenced assessment in reading, math, English, and science. Offers Grade 11 students a chance to enter the competition for National Merit Scholarship Corporation scholarship programs. Estimated time: 2 hours and 45 minutes.

ACT with Writing: Results used for college entrance and planning. Estimated time: 3 hours and 35 minutes.

Advanced Placement (AP): A program in the United States and Canada created by the College Board which offers college-level curricula and examinations to high school students. American colleges and universities may grant placement and course credit to students who obtain high scores on the examinations. AP tests are generally between two and three hours long, though most are closer to three hours. There is one break that separates the test into two sections.
