Badminton
Grades 7-9
Bonnie Waldman
Learn strategy and skills in one of the oldest and most popular sports. Beginners will learn the basics of court etiquette, serves and rally, correct grip, and score keeping. Experienced players will learn from the pros. Note: This is an indoor class. Equipment is provided. $79

Girls Swimming Fun
Grades 2-7
Hopkins Youth Lacrosse
Beginning Lacrosse
Grades 2-7
Hopkins Youth Lacrosse
Learn to play one of the most popular sports in Minnesota. Girls and boys will be divided into two co-ed groups (grades 2-4) and (grades 5-7). No equipment is necessary. Just come dressed to play inside and bring your swim suits! All equipment is provided.

School of Fish: On Ice!
Grades 3-8
School of Fish
Learn about finding various fish species in winter, about winter lures, and how to use equipment properly. Discover how to master a knot tie and slip-bobber rig, learn about winter sonar uses, and ice safety. Be ice ready! Every participant receives an ice rod and reel, tackle box with ice tackle, School of Fish resource book, snack bag with snack included, and a $10 Cabela's gift card — a $50 value. $79

School of Fish: Open Water
Grades 3-8
School of Fish
Get ready for summer fishing season with this 3-hour fishing preparedness class. Learn about winter fishing, basic water safety skills and develop your strokes in this fun class with other girls. Dress for swimming. $79

ACT Prep

Hopkins Community Education partners with PrepStar for ACT test preparation and academic tutoring programs. ACT test prep classes offer your student an opportunity for better results in taking this critical college examination.

**ACT PREP: PrepStar Premium**

PrepStar offers a variety of ACT test prep class options for students seeking top ACT scores.

- 24 hours of outstanding ACT test preparation
- 3 proctored ACT tests
- Online practice test scoring for fast feedback
- Specialized ACT calculator programs (TI-84 only)
- Effective test-taking strategies
- 2-point improvement guaranteed (requirements apply)

#Y601: limit 30 $329

**Prep for February and April 2015 ACT tests:**

- Jan. 17, 19, 24, 31 2900 am-3:30 pm
- Hopkins High School W230
- May 7, 8, June 9, 10 9:00 am-3:30 pm
- Hopkins High School N205

**NEW! ACT PREP: PrepStar Plus**

PrepStar offers a variety of ACT test prep class options for students seeking top ACT scores.

- 3 hours of one-on-one online tutoring with an ACT expert
- Targets specific subjects and types of test questions
- Must have completed one of the PrepStar classes and a practice test from that class
- Sessions scheduled independently

#Y602: no limit $149

**NEW! PrepStar Blast**

PrepStar offers a variety of ACT test prep class options for students seeking top ACT scores.

- Crash course for the ACT!
- Content review & testing strategies
- Practice ACT questions and full ACT practice test (completed outside of class)
- 6-hour session

#Y603: limit 30 $89

**Prep for April and June 2015 tests:**

- April 11 9:00 am-3:30 pm
- Hopkins High School W230

---

**STEM: science, technology, engineering, math**

**NEW! JavaScript Game Coding**

**Grades 3-8**

**Computer Explorers**

Learn how to make your own online games! Discover programming using nothing more than a browser, and see cool 3D results. Learn real-world programming skills in JavaScript, the language of the web. Build simple, animated shapes, and make your own players, while learning how to build your own games. Bring a USB drive to each class.

#Y215: 3 sessions - limit 24 $74

**Thurs., Feb. 12-26**

6:15-8:15 pm

**Eisenhower Community Center 111**

**NEW! Junior High Computer Coders**

**Grades 7-9**

**Abarath**

Discover the fundamentals of computer coding using MIT's Scratch programming language. Create artifical intelligence machines to play games against each other!

#Y223: 2 sessions - limit 8 $44

**Tu., Mar 10 & Mar. 17**

6:00 - 8:00 pm

**North Junior High School 213**

**NEW! Robotics for Junior High**

**Grades 7-9**

**Abarath**

Looking for Junior High students to test the tools of the future. From Google's self-driving cars, to NASA satellites flying over Mars, robots are key! We will use robots to solve challenges and puzzles as we learn computer science, programming and coding. No experience! No problem! Already an expert? We promise a challenge for you!

#Y225: 4 sessions - limit 12 $39

**Tu., Feb. 3-24**

6:30-8:00 pm

**North Junior High School 101**

---

**Drivers Education**

**Ages 14½-17**

**Safeway Driving School**

Safeway's focus is creating safe and responsible teen drivers through classroom and behind-the-wheel training. Our instructors are licensed by the MN Department of Public Safety, meeting all background and testing requirements.

**Optional payment plan:** $249 at registration, and two additional payments of $75.00, paid directly to Safeway, at the first two behind-the-wheel sessions.
